GOOD NEWS

For Renters and Farm Hands

Big farms in western Nebraska, eastern Colorado and Wyoming are being split up and put on the market. This offers an unusual chance to secure splendid deeded lands at reasonable prices and on favorable terms. The value of these lands is steadily increasing. You are anxious to own a farm and be your own boss. Write me whether you prefer grain, dairy, stock or mixed farming, dry or irrigated land, how much you can pay down and let me put you in touch with the owner or agent of a suitable place, now before it is too late. Neither the railroad nor myself has any land for sale. It employs me to help farmers make the most of opportunities along our lines. My services are free. I have

helped hundreds of them. Perhaps I can help you.

S. B. Howard, Agricultural Agent, Burlington Railroad, 211 Q Building, Omaha, Nebr.

Sartor Resartus; or, The Butcher Cleavered.

This morning on my way to work I stopped in at my butcher's To pay him for the steak I had yesterday. "Here," I said, "Is the dollar seventy-five I owe you For that steak," And I dumped One hundred and seventy-five 1-cent pieces On his counter. "Hold on," he said, "This won't do. I don't want that all in pennies; That's not legal tender." By that time I had reached the door. Ready for a quick get-away; So I answered him, quick as a flash: "Neither was the steak." C. ONTRIE.

Despondency.

Sufferers from indigestion are apt to become discouraged and feel that complete recovery is not to be hoped for. No one could make a greater mistake. Hundreds have been permanently cured by taking Chamberlain's Tablets and can now eat anything that they crave. These tablets strengthen the stomach and enable it to perform its functions naturally. If you have not tried them, do so at once.

Ride Farther on Goodyear Tires in Your Small Car

It is tire performance, not price, that decides what you really pay; hence, do not experiment with tires made to sell at sensationally low prices.

You can secure in Goodyear Tires, of the 30x3-, 30x3½- and 31x4-inch sizes, a high relative value not exceeded even in the famous Goodyear Cord Tires on the world's finest automobiles.

Goodyear experience and care are applied to their manufacture in the world's largest tire factory devoted to these sizes.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires; take advantage of the opportunity to get true Goodyear mileage and economy.
